Attachments: Sungwoo Trip Report.docx

Hi Paula. Thanks for all the phone time yesterday – I think we are both closer to being on the same page now.

Attached is the draft Trip Report for Hyundai Sungwoo Auto, USA. If you would please review and respond within 10 business days (May 18, 2016) with and comments, recommendations or changes you think need to be made. After 10 days, I will send it forward to Mr. Stallworth for his review.
